**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181 and 1.8(b)**

It is respectfully requested that the holding of abandonment be withdrawn for the above-captioned application. The application was abandoned by the USPTO for Applicant's alleged failure to timely respond to the Office Action dated January 13, 2004. The Applicant contends that a response was timely filed.

The facts relating to the abandonment of this application are as follows:

1. A Final Office Action was issued on January 13, 2004. The Office Action specified a shortened statutory period for reply of three (3) months (i.e., April 13, 2004).
2. A telephone interview was conducted on March 15, 2004 between the Applicant's attorney, Steven W. Smith, Examiner Benjamin Lanier, and Supervisory Patent Examiner Gilberto Barron. Agreement was reached on several key issues.
3. On March 16, 2004 (one day after the telephone interview), the Applicant filed an *Amendment After Final and Request for Reconsideration* in which agreed upon amendments were made to the claims. A copy of the Amendment, as filed, is enclosed herewith. The Amendment was filed by fax, and a copy of a Transmission Verification Report from the Applicant's fax machine is also enclosed. The Transmission

Verification Report shows the date of transmission (03/16/2004) and that all ten (10) pages were transmitted without error.

4. A Notice of Abandonment was issued by the UPSTO on October 19, 2004 for Applicant's failure to timely file a proper reply to the Office Action of January 13, 2004.

The Applicant respectfully submits that this petition has been timely filed, and the evidence presented herewith is sufficient for the petition to be granted and for the holding of abandonment to be withdrawn.

Respectfully submitted,

Steven W. Smith
